Dear GCCGroup,

This is just a quick note but it comes from our heart to yours as we head out the door to plant more trees in Ghana.

On behalf of Me For Africa, I would like to acknowledge and thank you for your contribution to support our "Plant a tree Project" in Ghana.

Your Generosity will make an immediate difference in our environment and the lives of many in Africa and the world at large.

Because of your generous donation and assistance, we would be able to plant more trees in Africa. Your assistance has also given our team a new purpose of hope and inspiration to protect our environment by planting more trees and employing idle hands to work.

Me For Africa is a non-profit organization registered and operating in the Republic of Ghana with Registration number CG098312017, pursuant to section 24 of the companies act, 1963, (Act 179), with a mission to foster and promote: Environmental Protection, Entrepreneurship, Health, Education and ICT (Information Communication Technology) Development in Ghana and Africa as a whole. We currently have projects in Tree planting, ICT and Entrepreneurship Development for Rural women and kids in Junior High Schools.

We thank you for your generosity and look forward to working with you to plant more trees in other communities and also do some donations. The team would be sending you pictures and other materials used in executing the project.

Sincerely,

Ibrahim Mustapha

Executive Director
